

Al Hadiyato Linnisa - Islamic Laws For Purity of Women

Price: ₹49.00

Stock: In Stock

Paper Back - Pages: 72

Certain Islamic Laws are meant exclusively for women. Most of our Muslim Women are ignorant of these laws while some because of their modesty and shyness, reluctant to ask from others about these laws.

Keeping this need in mind Maulavi Ibrahim Palanpuri has compiled this booklet, which covers all the laws under separate headings. The booklet is a very useful & handy to understand and practice accordingly.
