

An Introduction To The Study of Islamic Law

Price: ₹599.00

Stock: In Stock

Hard Bound - Pages: 496

The book is about the study of Islamic law as the greatness of Islam, sublimity of its Shariah and the ability of Islamic legal system to meet political, administrative and social needs of the people have been proven beyond doubt. Adhering to the injunctions of Islam became indispensable according to the constitution. If the law includes any passage which conflicts with the principles of the Shariat, it would be unconstitutional.
