Paper Back - Pages: 112

This is the compilation of Islamic prescription and attitude of a husband for the happy and successful married life, the Blessing and Rewards even in the life hereafter. Similar to *Al-Mar'atus Salihah*, both wife and husband should also read *Az-Zaujus Salih*, so that both the partner should implement their respective roles. The major part of the responsibility of ensuring that the marriage remains enduring episode of happiness and success devolves on the husband, to whom *Allah* has appointed as Hakim.
