Book of Marriage And Divorce

This is a part of a renowned Book *Tohfae Khawateen*, actually written in Urdu by a prominent Islamic Scholar *Mufti M. Ashiq Elahi Madani (Rah)*. This Book has been Published separately keeping in mind the importance of the subject and to provide the basic general awareness for the most important *Ibadat*, the *Nikah*, whom the Holy Prophet has referred as Half of the *Imaan*. The book contains the details related to Divorce, the most hateful of all the lawful things in the sight of *ALLAH*. It also includes matters relating to the puberty to the upbringing of Children, the duties and responsibilities of both Husband and Wife.
